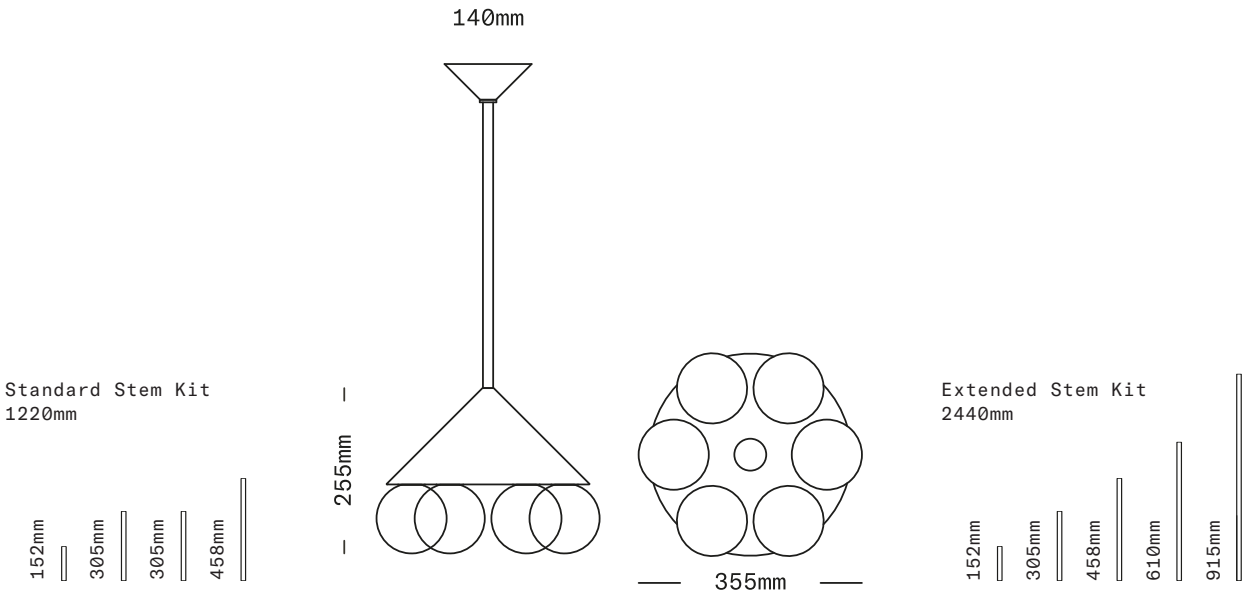
CHANDELIER



A ring of six lit 110mm spheres of handblown glass are nestled below a conical form and suspended by a single stem, the forms of the Peak Chandeliers are both playful and elegant. The ceiling canopy is an identical smaller conical shape, mirroring the form of the chandelier. Elevating simple geometric forms, the proportions are everything in the Peak Chandelier, and every detail has been carefully considered. The glass diffusers are available in both "dipped" glass, featuring the SkLO double-dipped flame-polished mouth and "textured" glass, featuring a soft, frosted finish and subtle sculpted vertical ridges.
