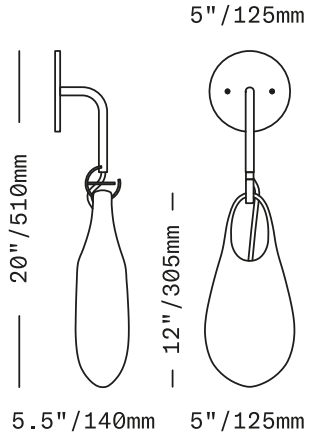
SkLO
Hold 12
SCONCE



c UL us IP20

A smaller version of the SkLO Hold Vessel – an expressive glass vessel that appears to stretch from its hook as if molten – serves as a shade on this wall sconce. The socket is suspended from the hook on a fabric-wrapped electrical cord and is loosely suspended within the glass. A removable threaded pin within the brass hook can be used to secure the glass if required.

- UL listed suitable for dry and damp locations (US & Canada)
- Socket 120V E12 25W Max (LED bulb included)
- Requires recessed electrical box for installation
- Fixture weight (approximate): 5lbs/2.5kg
- Handblown glass production results in variation in dimensions, shape, color saturation, color tint, and imperfections such as small bubbles. This is part of SkLO design intent
- Made in the Czech Republic

LT267 [---][--] Hold 12 Sconce
