## Drape Composition 1

PENDANT

The Drape Composition 1 is a multi-pendant fixture with 2 pendants suspended from a single canopy. Each pendant is suspended on a fabric-wrapped electrical cord. The center pendant hangs straight down from the canopy and features a 7"/180mm diameter sphere of handblown glass. The outer pendant is swagged to a ceiling hook (included) and features a smaller 4.5"/110mm diameter sphere of handblown glass. The glass diffusers feature the signature SkLO double-dipped, fire-polished mouths which show where the glass is broken from the blower's pipe, making each unique. Cord lengths are field adjustable.

UL listed suitable for dry and damp locations (US & Canada)

Sockets 120V G9 7W Max

LED bulbs included

Requires recessed electrical box for installation

Accommodates sloped ceilings

Standard cord length 72"/1800mm – field adjustable – longer lengths available at additional cost

Fixture weight (approximate): 8lbs/3.5kg

All glass dimensions are approximate – handblown glass dimensions vary by nature and intent

Made in the Czech Republic
