

SkLO

Hold 12

SCONCE

A smaller version of the SkLO Hold Vessel – an expressive glass vessel that appears to droop from its hook as if molten – serves as a shade on this wall sconce. The socket is suspended from the hook on a fabric-wrapped electrical cord and is loosely suspended within the glass. A removable threaded pin within the brass hook can be used to secure the glass if required.

UL listed suitable for dry and damp locations (US & Canada)

Socket 120V G9 7W Max

LED bulb included

Requires recessed electrical box for installation

Fixture weight (approximate): 5lbs/2.5kg

All glass dimensions are approximate – handblown glass dimensions vary by nature and intent
