Hold 18

SCONCE

An expressive glass vessel that appears to droop from its hook as if molten serves as a shade on this wall sconce. The socket is suspended from the hook on a fabric-wrapped electrical cord and is loosely suspended within the glass. A removable threaded pin within the brass hook can be used to secure the glass if required.

UL listed suitable for dry locations only (US & Canada)
Available for damp locations by request

Socket 120V E26 60W Max

LED bulb included

Requires recessed electrical box for installation

Fixture weight (approximate): 6lbs/3kg

All glass dimensions are approximate – handblown glass
dimensions vary by nature and intent

Made in the Czech Republic
