Bottom from left: Gray, New Blue, White, Silver Mirror

Ø10" / 250mm

SkLO Large Wrap objects are a larger version of the classic SkLO Wrap, a wound length of handblown glass tube. Each SkLO Large Wrap object is a unique handmade piece, no two exactly alike. Whether alone or in larger groups, the Large Wrap presents a distinct opportunity to display the beauty and immediacy of glassblowing.

All glass dimensions are approximate - handblown glass dimensions vary by nature and intent
