

SkLO

Wrap Pin 1.21

PENDANT

Our signature SkLO Large Wrap, a continuous wound length of the handblown Czech glass tube, is featured on the Wrap Pin Pendant. The glass element hangs from a brass "pin" element, made of a continuous ribbon of a brass bar, which opens and closes to allow for removal of the glass. The brass socket is suspended on an exposed fabric-wrapped electrical cord from the top of the "pin" and suspends the light bulb within the opening at the top of the glass.

UL listed suitable for dry and damp locations (US & Canada)

Socket 120V E26 60W Max

LED bulb included

Requires recessed electrical box for installation

Accommodates sloped ceilings

Specify overall drop length – not field adjustable

Minimum overall drop length: 30"/765mm

Lengths over 69"/1750mm available at additional cost

Fixture weight (approximate): 7lbs/3.5kg

All glass dimensions are approximate – handblown glass dimensions vary by nature and intent

Made in the Czech Republic
