

drape linear 7 chandelier

The *drape linear 7* chandelier consists of 7 individual pendants gathered into a straight line by a solid brass bar. Each pendant features a 4 1/2" (11cm) diameter sphere of handblown Czech glass suspended on a fabric-wrapped electrical cord. The cords pass through the bar. The spherical glass diffusers feature the signature SkLO double-dipped, fire-polished mouths which show where the glass is broken from the blower's pipe, making each unique.
