

float 16/20 light

A large sphere of handblown Czech glass with a custom brass socket assembly through one side. Each glass sphere is broken hot from the blower's pipe and then the mouth is torch-polished to create a unique detail – handblown, no two exactly alike. Two thumb screws attach the removable socket from the side of the glass sphere to access the bulb. Available in two sizes and four transparent colors.

Socket: 120V E26 60W Max
6 ft (180cm) black fabric-wrapped cord with in-line switch
Bulb included

Standard metal finishes: dark oxidized / brushed brass (other finishes available on request)
Four glass colors available (including clear)
All glass dimensions are approximate – handblown glass dimensions vary by nature and intent
Handblown in the Czech Republic

available in transparent colors:

LT216 --- float 16 light dark oxidized
LT216 --- B float 16 light brushed brass
LT220 --- float 20 light dark oxidized
LT220 --- B float 20 light brushed brass
