## branch wallpiece

designer: karen gilbert + paul pavlak

The SkLO branch wallpiece has handblown spheres of Czech glass on an organic handmade steel armature. It has two circular wallplates that each have two screws for mounting to the wall. The glass spheres are handblown and each has a double-dipped open mouth - no two are exactly alike. The glass spheres are available in a palette of 9 opaque colors. The steel is finished in SkLO proprietary oxidized black patina. Hand blown in the Czech Republic.
