

shown in pea green

branch wallpiece

The SkLO *branch* wallpiece has handblown spheres of Czech glass on an organic handmade steel armature. It has two circular wallplates that each have two screws for mounting to the wall. The glass spheres are handblown and each has a double-dipped open mouth – no two are exactly alike.

Glass available in four opaque colors. Steel armature available in dark oxidized finish only
 All glass dimensions are approximate – handblown glass dimensions vary by nature and intent
 Handblown in the Czech Republic
