

coil 48 *object*

Twisting tubes of handblown glass with cut and polished ends, the SkLO *coil 48* object showcases the inimitable clarity and thickness of Czech glass, embodying the ability of glassblowing to capture the kinetic moment in time. Handblown, no two individual SkLO *coil 48* objects are alike.

Coil 48 is sold individually, in intertwine-able groups of three, or in intertwine-able groups of three with a handmade steel table stand.

Glass available in three colors (including clear)

All glass dimensions are approximate – handblown glass dimensions vary by nature and intent
