

lasso *object/wallpiece*

Solid loops of handblown Czech glass, each *lasso* piece consists of a group of five loops of varying sizes so each piece is a composition unto itself, showcasing the amazing depth and clarity of Czech glass. Every loop is unique, an expression of the hand of the glassmaster – no two exactly alike. As either a tabletop object or wallpiece, *lasso* works as an individual object, or in multiples.

Glass available in two colors (including clear)

Wall hooks available in three metal finishes: dark oxidized / brushed brass / polished nickel
