

SkLO

Coil 32

OBJECT

SkLO Coil 32 Object is a slightly smaller version of the Coil 48. Twisting tubes of handblown glass with cut and polished ends, the SkLO Coil 32 Object showcases the inimitable clarity and thickness of Czech glass, embodying the ability of glassblowing to capture the kinetic moment in time. Coil 32 is sold in intertwine-able sets of three, or intertwine-able pairs on a steel table stand.

All glass dimensions are approximate – handblown glass dimensions vary by nature and intent

Made in the Czech Republic
