

SkLO

Hold 12

SCONCE

A smaller version of the SkLO Hold Vessel – an expressive glass vessel that appears to stretch from its hook as if molten – serves as a shade on this wall sconce. The socket is suspended from the hook on a fabric-wrapped electrical cord and is loosely suspended within the glass. A removable threaded pin within the brass hook can be used to secure the glass if required.

UL listed suitable for dry and damp locations (US & Canada)

Socket 120V G9 7W Max (LED bulb included)

Requires recessed electrical box for installation

Fixture weight (approximate): 5lbs/2.5kg

Handblown glass production results in variation in dimensions, shape, color saturation, color tint, and imperfections such as small bubbles. This is part of SkLO design intent

Made in the Czech Republic
