SCONCE

CE ENEC CB IP20

An expressive glass vessel that appears to stretch from its hook as if molten serves as a shade on this wall sconce. The socket is suspended from the hook on a fabric-wrapped electrical cord and is loosely suspended within the glass. A removable threaded pin within the brass hook can be used to secure the glass if required.

Socket 220-240V E14 25W Max (LED bulb included)

Fixture weight (approximate): 3kg

Handblown glass production results in variation in dimensions, shape, color saturation, color tint, and imperfections such as small bubbles. This is part of SkLO design intent
