Lasso 60

CHANDELIER

Large, linear light fixture featuring a long row of glass loops supported on a steel armature. The glass loops come in different sizes, showcasing the amazing quality and clarity of the Czech handblown glass. Each loop is made by hand, so each is unique and slightly different, lending the finished composition a very organic feel. Each socket hangs individually from the canopy on an exposed fabric-wrapped electrical cord and nestles within the glass loops.

UL listed suitable for dry locations only (US & Canada)

Sockets 120V E26 60W Max (LED bulbs included)

Requires recessed electrical box for installation

Does NOT accommodate sloped ceilings

Specify overall drop length – not field adjustable

Fixture weight (approximate): 375lbs/170kg

Allow 12 weeks for delivery

Handblown glass production results in variation in dimensions, shape, color saturation, color tint, and imperfections such as small bubbles. This is part of SkLO design intent

Made in the Czech Republic
