

drape circle 28 chandelier

The *drape circle 28* chandelier consists of 28 individual pendants gathered and supported by a series of brass rings. Each pendant features a 4 1/2" (11cm) diameter sphere of handblown Czech glass suspended on a fabric-wrapped electrical cord. The cords pass through and support the rings. The spherical glass diffusers feature the signature SkLO double-dipped, fire-polished mouths which show where the glass is broken from the blower's pipe, making each unique.

Sockets: 120V E12 (candelabra) 7W Max (G9 sockets available on request)

Canopy: Brass canopy with exposed fasteners and steel mounting plate. Recessed electrical box required for installation

Specify overall drop length – different proportions and compositions are possible – please specify
