

drape skirt 18 chandelier

The SkLO *drape skirt 18* chandelier consists of 18 individual pendants gathered into groups of 3 and supported by a series of 6 brass "skirt" structures arranged around the circumference of a brass ring. Each pendant features a 4 1/2" (11cm) diameter sphere of handblown Czech glass suspended on a fabric-wrapped electrical cord. The cords pass through the tubes of the skirts. The spherical glass diffusers feature the signature SkLO double-dipped, fire-polished mouths which show where the glass is broken from the blower's pipe, making each unique.

Sockets: 120V E12 (candelabra) 7W Max (G9 sockets available on request)

Canopy: Brass canopy with exposed fasteners and steel mounting plate. Recessed electrical box required for installation
