

# hold 12 sconce

A smaller version of the SkLO hold, an expressive glass vessel which appears to droop from its hook as if molten, serves as a diffuser on this wall sconce. Available in two different versions: Plug-in and Hardwired. On the plug-in version, the black fabric-wrapped cord passes through a hole in the steel wall hook, the socket and bulb hang inside the glass vessel. Plug-in version comes with the additional mini hook to wrap the extra cord around (as shown). Handblown, no two exactly alike.

Socket: 120V E12 (Candelabra) 7W Max

Hardwired version:

Canopy: Brass canopy with exposed fasteners. Recessed steel electrical box required for installation

Plug-In version:

(note: Plug-In Version NOT UL listed)

10 ft (300cm) black fabric-wrapped cord with in-line switch (plug-in version only)

Specify fabric-wrapped electrical cord color: black, blue, gold, or gray

Bulb included

Standard metal finishes: dark oxidized / brushed brass (other finishes available on request)

Two glass colors available (including clear)

Four fabric-wrapped electrical cord colors available

All glass dimensions are approximate – handblown glass dimensions vary by nature and intent

Handblown in the Czech Republic

glass colors: clear-CLR white-WHT
