

SkLO

Bloom

WALLPIECE

A version of the SkLO Bloom Object meant for display on the wall, the Bloom Wallpiece is produced in a similar process, organically building sculptural compositions by layering together smaller individually blown pod-shapes while hot. The backs are cut and polished. Simple hardware for mounting on the wall is included and suitable for most wall materials.

Three sizes, each size available in one color

All glass dimensions are approximate – handblown glass dimensions vary by nature and intent
