

# drape circle 12 chandelier

The *drape circle 12* chandelier consists of 12 individual pendants gathered and supported by a single, large brass ring. Each pendant features either 4 1/2" (11 cm) or 7" (18 cm) diameter sphere of handblown Czech glass suspended on a fabric-wrapped electrical cord. The cords pass through and support the ring. The spherical glass diffusers feature the signature SkLO double-dipped, fire-polished mouths which show where the glass is broken from the blower's pipe, making each unique.
