

# spun pendant *light*

## spun pendant *light*

designer: karen gilbert + paul pavlak

The SkLO spun pendant lights have spherical shades of hand blown Czech glass. The shades are covered in a continuous irregular thin "spun" thread of glass, making no two alike. The shades are offered in two colors: opaque white and amber - note that the amber has an interior of opaque white glass. SkLO spun pendant lights are suspended from a 5" round canopy by a rigid metal stem - please specify stem length when ordering. Hand blown in the Czech Republic.

available in: *amber-AMB white-WHT*
