

drape circle 8 chandelier

The *drape circle 8* chandelier consists of 8 individual pendants gathered and supported by a brass ring. Each pendant features a 4 1/2" (11 cm) diameter sphere of handblown Czech glass suspended on a fabric-wrapped electrical cord. The cords pass through the ring and are evenly spaced around the circumference. The spherical glass diffusers feature the signature SkLO double-dipped, fire-polished mouths which show where the glass is broken from the blower's pipe, making each unique.
