

# drape cluster 7 pendant

CANOPY - BOTTOM VIEW

CANOPY - SIDE VIEW

The *drape cluster 7* consists of seven individual pendants clustered into a neat geometric group. Each pendant features a 4 1/2" (11cm) or 7" (18cm) diameter sphere of handblown Czech glass individually suspended on fabric-wrapped cord. The spherical glass diffusers feature the signature SkLO double-dipped, fire-polished mouths which show where the glass is broken from the blower's pipe, making each unique.

UL LISTED SUITABLE FOR DAMP LOCATIONS (US & CANADA)

Sockets: 120V E12 (candelabra) 7W Max (G9 sockets available on request)
