

drape skirt 15 chandelier

The *drape skirt 15* chandelier consists of 15 individual pendants gathered into groups of 3 and supported by a series of 5 brass "skirt" structures along a brass bar. Each pendant features a 4 1/2" (11cm) diameter sphere of handblown Czech glass suspended on a fabric-wrapped electrical cord. The cords pass through the tubes of the skirts. The spherical glass diffusers feature the signature SkLO double-dipped, fire-polished mouths which show where the glass is broken from the blower's pipe, making each unique.
