

drape skirt 9 chandelier

The *drape skirt 9* chandelier consists of 9 individual pendants gathered and supported by a central brass "skirt" structure. Each pendant features a 4 1/2" (11cm) diameter sphere of handblown Czech glass suspended on a fabric-wrapped electrical cord. The cords pass through the tubes of the skirt. The spherical glass diffusers feature the signature SkLO double-dipped, fire-polished mouths which show where the glass is broken from the blower's pipe, making each unique.
