

# stem pendant 1x

The *stem* 1x pendants are minimal pendants consisting of single lit spheres of handblown Czech glass suspended on a rigid brass stem. Choose from either a small, 4 1/2" (11cm) diameter or a large, 7" (18cm) diameter sphere. Glass is available in five colors. The glass features the signature SkLO double-dipped, fire-polished mouths which show where the glass is broken from the blower's pipe, making each unique.
