Drape Linear 7

CHANDELIER

The Drape Linear 7 Chandelier consists of 7 individual pendants gathered into a straight line and supported by a flat brass bar. Each pendant features a 4.5"/110mm diameter diffuser of handblown Czech glass suspended on a fabric-wrapped electrical cord. The cords pass through and are affixed to the bar and are evenly spaced around its length. The glass diffusers are available in both "dipped" glass, featuring the SkLO double-dipped flame-polished mouth and "textured" glass, featuring a soft, frosted finish and subtle sculpted vertical ridges. Cord lengths are field adjustable.

UL listed suitable for dry and damp locations (US & Canada)

Sockets 120V G9 7W Max (LED bulbs included)

Requires recessed electrical box for installation

Accommodates sloped ceilings

Standard cord length 120" (3050mm) – field adjustable – longer lengths available at additional cost

Fixture weight (approximate): 22lbs/10kg

Handblown glass production results in variation in dimensions, shape, color saturation, color tint, and imperfections such as small bubbles. This is part of SkLO design intent

Made in the Czech Republic
