

SkLO

Stem 2X

TABLE LIGHT

CE ENEC CB IP20

The Stem 2X Table Light is a minimal design consisting of a pair of 110mm diameter diffusers of handblown Czech glass on a symmetrical armature atop a brass stem and base. The glass diffusers are available in both "dipped" glass, featuring the SkLO double-dipped flame-polished mouth and "textured" glass, featuring a soft, frosted finish and subtle sculpted vertical ridges.

Sockets 220-240V G9 7W Max (LED bulbs included)

1830mm black fabric-wrapped cord with in-line switch

Handblown glass production results in variation in dimensions, shape, color saturation, color tint, and imperfections such as small bubbles. This is part of SkLO design intent

Made in the Czech Republic
