## Hold Pin 1.09

PENDANT

An expressive glass vessel that appears to stretch under its weight serves as a shade in this pendant. The glass element here is different from that of the Hold Sconce and Hold Pendant in that it is round and not flattened, and it is also of a different size. The glass element hangs from a brass "pin" element, made of a continuous ribbon of the brass bar, which opens and closes to allow for removal of the glass. The brass socket is suspended on an exposed fabric-wrapped electrical cord from the top of the "pin" and suspends the light bulb within the opening at the top of the glass.

UL listed suitable for dry and damp locations (US & Canada)

Socket 120V G9 7W Max

LED bulb included

Requires recessed electrical box for installation

Standard canopy does NOT accommodate sloped ceilings or swagging of this light. Other canopy options are available at an additional cost.

Visit the Accessories page on our website to see available canopy options and review compatibility

This fixture is compatible with one or more of SkLO customizable multi-pendant canopy systems. Visit the Accessories page on our website to see available systems and review compatibility

Specify overall drop length – not field adjustable

Minimum overall drop length (no stem extension):  
23"/580mm

Lengths over 62"/1570mm available at additional cost

Fixture weight (approximate): 6lbs/3kg

All glass dimensions are approximate – handblown glass dimensions vary by nature and intent

Made in the Czech Republic
