

SkLO

Hang-Straight Canopy

CANOPY OPTION

The Hang-Straight Canopy option enables many of SkLO stem-hung fixtures to be installed on all ceiling slopes.

Includes the following:

- 1" (25mm) thick, 5" (127mm) diameter brass canopy

- Brass hook-and-loop assembly that attaches directly to the canopy

See list of compatible pendant designs on the right

This canopy option is available at an additional cost – please specify when ordering.
