

Linear & Round Multi-Pendant Canopy Programs

TERMS & CONDITIONS

The Linear & Round Multi-Pendant Canopy programs are designed to provide our Trade customers with the opportunity to create highly customized SkLO light fixtures. These programs are specifically designed to enable multiple SkLO pendants to be suspended from a single canopy. The number of individual pendants and their composition are entirely customizable. SkLO does not provide design services or advice for fixtures produced under these programs. SkLO recommends this program only to qualified and licensed designers and architects. See Ordering Instructions on the Specification sheets for each individual program for important information.

- No minimums apply.
- All Linear & Round Multi-Pendant Canopy orders are non-refundable.
- Please allow a minimum of 6 weeks for production. Actual production time may vary depending on order volume and complexity. Production time does not include shipping.
- The customer is responsible for designing and specifying the composition of the overall fixture and ensuring that their design and specifications will result in a functional fixture.
- SkLO does not produce images, renderings, or 3D models of customers' Linear & Round Multi-Pendant designs.
- SkLO does not produce shop drawings for Linear & Round Multi-Pendant Canopy program orders. The customer's drawing, indicating the locations of individual pendants on the canopy, will be used for fabrication.
- Once the order is placed and prepayment is made, no changes can be made to the design.
- Linear & Round Multi-Pendant Canopy Program fixtures are covered by the standard SkLO warranty, applicable to all designs in SkLO Light Collection.
- Canopies in the Linear & Round Multi-Pendant Canopy program are not sold individually and are intended for use with SkLO fixtures only.
