SkLO

30-Degree Swivel

CANOPY OPTION

The 30-Degree Swivel Canopy Option enables many of SkLO stem-hung fixtures to be installed on ceilings with slopes of up to 30 degrees. The brass swivel attaches to the top of the stem and combines with the standard canopy for the fixture specified.

Includes the following:

The brass swivel

See list of compatible pendant designs below

This canopy option is available at an additional cost – please specify when ordering

Made in the Czech Republic
