

SkLO

Float 1.0

PENDANT

Spheres of lit handblown glass suspended on brass tube stems, the Float 1.0 Pendants are both simple and elegant. The openings at the bottom of the glass feature an organic, layered detail where we dip the spheres twice into the molten glass during production. The lip of the opening is then cut and polished smooth. These details express their handmade nature without sacrificing their minimal feel. Available in two sizes.

UL listed suitable for dry and damp locations (US & Canada)

Socket 120V E26 60W Max

LED bulb included

Requires recessed electrical box for installation

Standard canopy does NOT accommodate sloped ceilings or swagging of this light. Other canopy options are available at an additional cost. Visit the Accessories page on our website to see available canopy options and review compatibility
