Angle 2.0

PENDANT

A dynamic asymmetrical tubular brass structure of the Angle 2.0 Pendant combines with minimal handblown glass diffusers to create a striking yet airy composition. Subtle variations in the weights of the handblown glass diffusers mean that the aspect of the pendant will have an inherent range, varying from one to the next. This is part of the design intent, adding depth and originality to every fixture. Perfect for large spaces.

UL listed suitable for dry and damp locations (US & Canada)

Sockets 120V G9 7W Max

LED bulbs included

Accommodates sloped ceilings

Specify overall drop length – Rigid brass tube stems are not field adjustable

Minimum overall drop length: 36"/915mm

Lengths over 60"/1520mm available at additional cost

Fixture weight (approximate): 25lbs/11kg

All glass dimensions are approximate – handblown glass dimensions vary by nature and intent

Made in the Czech Republic
