CHANDELIER

SkLO + AvroKO

The Crown lighting series nestles groups of lit, handblown glass cylindrical shapes beneath supporting brass domes. The Crown Chandelier is a substantial, sculptural statement piece. A ring of 8 smaller opaque glass shapes around the perimeter of the dome surrounds a central larger frosted glass shape. The tops of the glass shapes curve elegantly to share the geometry of the dome itself. Available in multiple glass color combinations and brass hardware finishes. Part of the SkLO + AvroKO collection – a collaboration between SkLO and the AvroKO Partners.
