Profile 5

The designs of the Perla lighting series feature glowing ellipsoids of handblown glass with decorative brass hardware. The pendant stem transitions above the glass into a decorative metal profile. The Perla Pendant is simple and understated. The soft hue of the opaque glass and the curving lines add subtle detail to any space it lives within. Available in multiple profile options, opaque glass colors, and brass hardware finishes. Part of the SkLO + AvroKO collection – a collaboration between SkLO and the AvroKO Partners.

UL listed suitable for dry and damp locations (US & Canada)

Socket 120V G9 7W Max (LED bulb included)

Requires recessed electrical box for installation

Standard canopy does NOT accommodate sloped ceilings or swagging of this light. Other canopy options are available at an additional cost. Visit the Accessories page on our website to see available canopy options and review compatibility

This fixture is compatible with one or more of SkLO customizable multi-pendant canopy systems. Visit the Accessories page on our website to see available systems and review compatibility

Fixture length:

Fixture includes our field-adjustable Standard Stem Kit (consists of (1) 6"/152mm, (2) 12"/305mm, and (1) 18"/458mm combinable stem sections) – additional Stem Kits are available at additional cost
