## Drape Arm 6

### CHANDELIER

The Drape Arm 6 Chandelier consists of 6 individual pendants suspended in a circle from a 6-spoke brass armature suspended in turn by a rigid brass stem. The glass diffusers are available in three shapes and in both "dipped" glass, featuring the SkLO double-dipped flame-polished mouth and "textured" glass, featuring a soft, frosted finish and subtle sculpted vertical ridges. Each pendant is suspended on a fabric-wrapped electrical cord. The exposed cords drape gracefully from the canopy and are suspended from the ends of the arms.
