Wrap Pin 1.09

PENDANT

CE ENEC CB IP20

Our signature SkLO Large Wrap, a continuous wound length of the handblown Czech glass tube, is featured on the Wrap Pin Pendant. The glass element hangs from a brass “pin” element, made of a continuous ribbon of a brass bar, which opens and closes to allow for removal of the glass. The brass socket is suspended on an exposed fabric-wrapped electrical cord from the top of the “pin” and suspends the light bulb within the opening at the top of the glass.

Socket 220-240V E14 25W Max (LED bulb included)

Standard canopy does NOT accommodate sloped ceilings or swagging of this light. Other canopy options are available at an additional cost. Visit the Accessories page on our website to see available canopy options and review compatibility
