

SkLO

Hold 12

PENDANT

A smaller version of the SkLO Hold Vessel – an expressive glass vessel that appears to stretch from its hook as if molten – serves as a shade on this pendant. The pendant is suspended on a rigid brass tube stem featuring a custom brass hook at the end. The brass socket is suspended on an exposed, fabric-wrapped electrical cord that exits the tube stem above the hook and suspends the light bulb within the glass.

UL listed suitable for dry and damp locations (US & Canada)

Socket 120V G9 7W Max (LED bulb included)

Requires recessed electrical box for installation

Standard canopy does NOT accommodate sloped ceilings or swagging of this light. Other canopy options are available at an additional cost. Visit the Accessories page on our website to see available canopy options and review compatibility

This fixture is compatible with one or more of SkLO customizable multi-pendant canopy systems. Visit the Accessories page on our website to see available systems and review compatibility

Fixture length:

Fixture includes our field-adjustable Standard Stem Kit (consists of (1) 6\"/>

Our field-adjustable Extended Stem Kit is available at additional cost (consists of (1) 6\"/>

Custom cut-to-order stems (not field-adjustable) available – requires specified OAL (overall drop length) – minimum OAL 20\"/>

Fixture weight (approximate): 7lbs/3kg

Handblown glass production results in variation in dimensions, shape, color saturation, color tint, and imperfections such as small bubbles. This is part of SkLO design intent

Made in the Czech Republic
