PENDANT

An expressive glass vessel that appears to stretch from its hook as if molten serves as a shade on this pendant. The pendant is suspended on a rigid brass tube stem featuring a custom brass hook at the end. The brass socket is suspended on an exposed, fabric-wrapped electrical cord that exits the tube stem above the hook and suspends the light bulb within the glass.

Socket 220-240V E14 25W Max (LED bulb included)

Standard canopy does NOT accommodate sloped ceilings or swagging of this light. Other canopy options are available at an additional cost. Visit the Accessories page on our website to see available canopy options and review compatibility

This fixture is compatible with one or more of SkLO customizable multi-pendant canopy systems. Visit the Accessories page on our website to see available systems and review compatibility
