

SkLO

Pillow

SCONCE/CEILING

Lit spheres of glass are nestled into a curving recess in a larger frosted pillow of glass. Each of the two shapes is available in three colors, allowing for a multitude of possible combinations. The soft organic geometry of the Pillow Sconces lends an approachable whimsy; the relationship between the smooth, smaller glass shape inside the concave, frosted outer glass adds an intriguing complexity.

Socket 220-240V G9 7W Max (LED bulb included)

Fixture weights (approximate): 1.5kg (LT230), 2.5kg (LT231), 6.5kg (LT232)

Handblown glass production results in variation in dimensions, shape, color saturation, color tint, and imperfections such as small bubbles. This is part of SkLO design intent

Made in the Czech Republic
