Reflect Pendants are a series of mirror-plated glass pendants in different geometric shapes suspended on rigid brass stems. The glass is mirrored using a unique process that produces an opaque mirror appearance when the light is off but allows light to pass through when on. Each shape has an open mouth at the bottom, the hole ground, and polished. The glass sits on a rest at the end of the stem and lifts to expose the socket for changing the bulb.

UL listed suitable for dry and damp locations (US & Canada)

Socket 120V E26 60W Max (LED bulb included)

Requires recessed electrical box for installation

Standard canopy does NOT accommodate sloped ceilings or swagging of this light. Other canopy options are available at an additional cost. Visit the Accessories page on our website to see available canopy options and review compatibility

This fixture is compatible with one or more of SkLO customizable multi-pendant canopy systems. Visit the Accessories page on our website to see available systems and review compatibility

Fixture length:

Fixture includes our field-adjustable Standard Stem Kit (consists of (1) 6" / 152mm, (2) 12" / 305mm, and (1) 18" / 458mm combinable stem sections) – additional Stem Kits are available at additional cost

Our field-adjustable Extended Stem Kit is available at additional cost (consists of (1) 6" / 152mm, (1) 12" / 305mm, (1) 18" / 458mm, (1) 24" / 610mm and (1) 36" / 915mm combinable stem sections)

Custom cut-to-order stems (not field-adjustable) available – requires specified OAL (overall drop length) – minimum OAL 25" / 635mm (LT370), 15" / 380mm (LT371), 21" / 535mm (LT372). Lengths over 67" / 1705mm (LT370), 57" / 1450mm (LT371), 63" / 1605mm (LT372) available at additional cost

Fixture weight (approximate): 15lbs/7kg

Handblown glass production results in variation in dimensions, shape, color saturation, color tint, and imperfections such as small bubbles. This is part of SkLO design intent
