CE EAC CB IP20

The Stem 1X Sconce/Ceiling is a minimal light suitable for use as a ceiling light or wall light. It consists of a single diffuser of handblown Czech glass on a simple brass socket and canopy. The glass diffusers are available in three shapes and in both "dipped" glass, featuring the SkLO double-dipped flame-polished mouth and "textured" glass, featuring a soft, frosted finish and subtle sculpted vertical ridges.

Socket 220-240V G9 7W Max (LED bulb included)

Fixture weight (approximate): 1.5kg

Handblown glass production results in variation in dimensions, shape, color saturation, color tint, and imperfections such as small bubbles. This is part of SkLO design intent

Made in the Czech Republic

LT271 [---][--] 110mm sphere glass

LT241 [---][--] 180mm sphere glass

LT315 [---][--] 150mm ellipsoid glass
