

SkLO

Bloom 1.0

SCONCE/CEILING

A single ellipsoid diffuser is layered with an organic composition of pod shapes using the glassblowing technique we developed for the Bloom collection. The diffuser is of opaque white glass. The bubble-like pod shapes come in organic compositions of 2, 3 or 4 pods of varying sizes and positions. The pods are available in 3 different transparent glass colors. Suitable as both a wall fixture and a flush-mount ceiling fixture.

Socket 120V G9 7W Max (LED bulb included)

Requires recessed electrical box for installation

Fixture weight (approximate): 1.3lbs/0.6kg (LT092)

1.5lbs/0.7kg (LT093)

2.2lbs/1.0kg (LT094)

Handblown glass production results in variation in dimensions, shape, color saturation, color tint, and imperfections such as small bubbles. This is part of SkLO design intent

Made in the Czech Republic
